FOREWORD

From our Sponsor

KTGreen Ltd are delighted to once again be sponsoring the Riponian Stages Rally in 2024. As competitors ourselves, this event is one of our favourites on the calendar with some of the finest stages Yorkshire has to offer. It is always well organised by Ripon Motor Sport Club and we are happy to support them in running this historic event.

Like the rally, we too have a long history having been a Family Business for over 70 Years. From our showroom in Otley, West Yorkshire we are Main Dealers for Subaru, Isuzu and Arctic Trucks but also sell a selection of hand picked Sports, Specialist and 4x4 used vehicles. Alongside the Sales side of the business we also have a busy Workshop, Bodyshop and Parts Department to look after your vehicle. Whether you are competing, marshalling, organising or spectating, we hope you enjoy a great day out in the forests!

Simon, Sally, Chris and Sue Green.

From the Organisers

Welcome to the Riponian Stages Rally which again welcomes competitors in the 2024 Fuchs Lubricants Motorsport UK Historic Rally Championship for which it will be the first round and we trust they will enjoy a late winter/early spring visit to the Yorkshire forests. The event will be run under joint National and Interclub permits, the latter for our regular competitors contesting the usual regional championships.

We will be again using road closures that we first pioneered in 2019 to link smaller sections of forests on two of the stages and thus provide three stages, the shortest of which is just over 5 miles, all run twice, giving approximately 43 stage miles. The total mileage on tarmac is less than 2 miles.

This year the Thirsk Rural Business Centre will provide documentation/sutineering on the Saturday plus start and finish on the Sunday. Wombledon Airfield will again provide the service area which will only be visited once after the first three stages, however we wont be able to 'spread' out onto the airfields perimeter as we did in 2023 which means space will be restricted and only vehicles with the appropriate correctly rally plates will be allowed into the service area, this will be strictly enforced by the organisers or we risk losing the venue for future use. From service Competitors then repeat the three stages before finishing back at the Auction Mart. **Aircraft & helicopters are prohibited from the proximity of the Start/Finish and Service Area.**

Two-wheel drive cars will be first on the road in reverse order of performance with four wheel drive cars running in seeded order behind.

The maximum number of entries for the event is 120 plus 10 reserves, with a minimum of 90 competitors. Entries open on publication of these regulations and will be allocated on a first come, first served basis and will be acknowledged via email in order of receipt. To ensure that championship contenders have the opportunity to enter, the organisers have reserved 30 places for BHRC competitors and 10 places for each of the Regional Championships until 30th December. This gives championship competitors 14 days to get their entries in.

If by 30th December all the reserved places have not been filled, the organisers will allocate these at their discretion, and then an unseeded entry list will be published

To eliminate confusion between the National and Interclub events when placing entries, these regulations have been divided into three sections, Section A—regulations common to both events, Section B—Regulations specific to the National British Historic Event and Section C—Regulations Specific to the Interclub event. Competitors will run in a single field as detailed in paragraph four above.

We have strived to keep the cost of running the event as low as possible but we still face costs approaching £80,000 to put on the event, so unfortunately we need to have an entry fee of £795, to make the event viable, this can be paid either in full or in two instalments, a £100 non-refundable deposit payable within 3 days of entry and the balance by the 26th January 2024.

We look forward to receiving your entries and seeing you all in February
